ARPA-E Mission

Catalyze energy innovation that will create a more secure, affordable, and sustainable American future

Today's Speakers

**ARPA-E Senior
Commercialization Advisor**
Dr. Ryan Umstattd

Primus Power CEO
Tom Stepien

**Raytheon DoD/Civil EO
Systems Design Section
Manager**
Ryan Faries

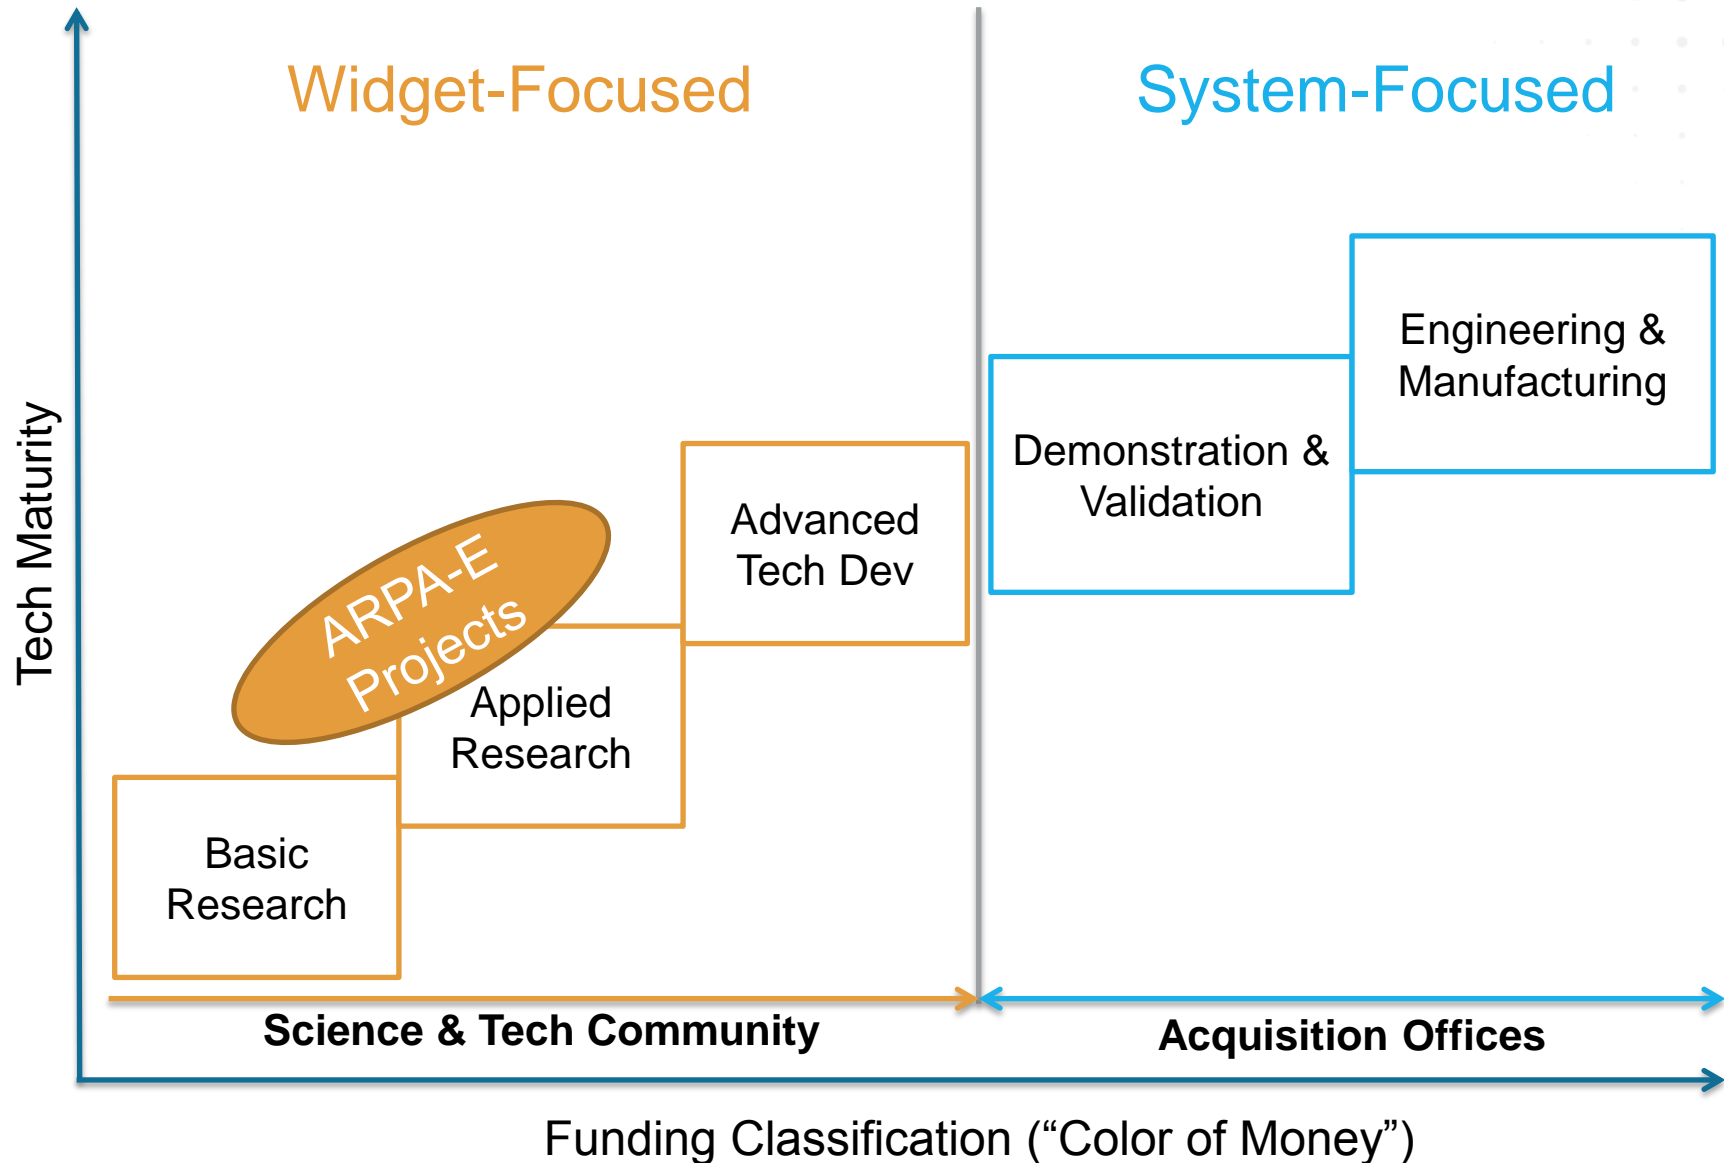

Measuring Market Success

ARPA-E advances its early-stage technologies to the market through several types of handoffs:

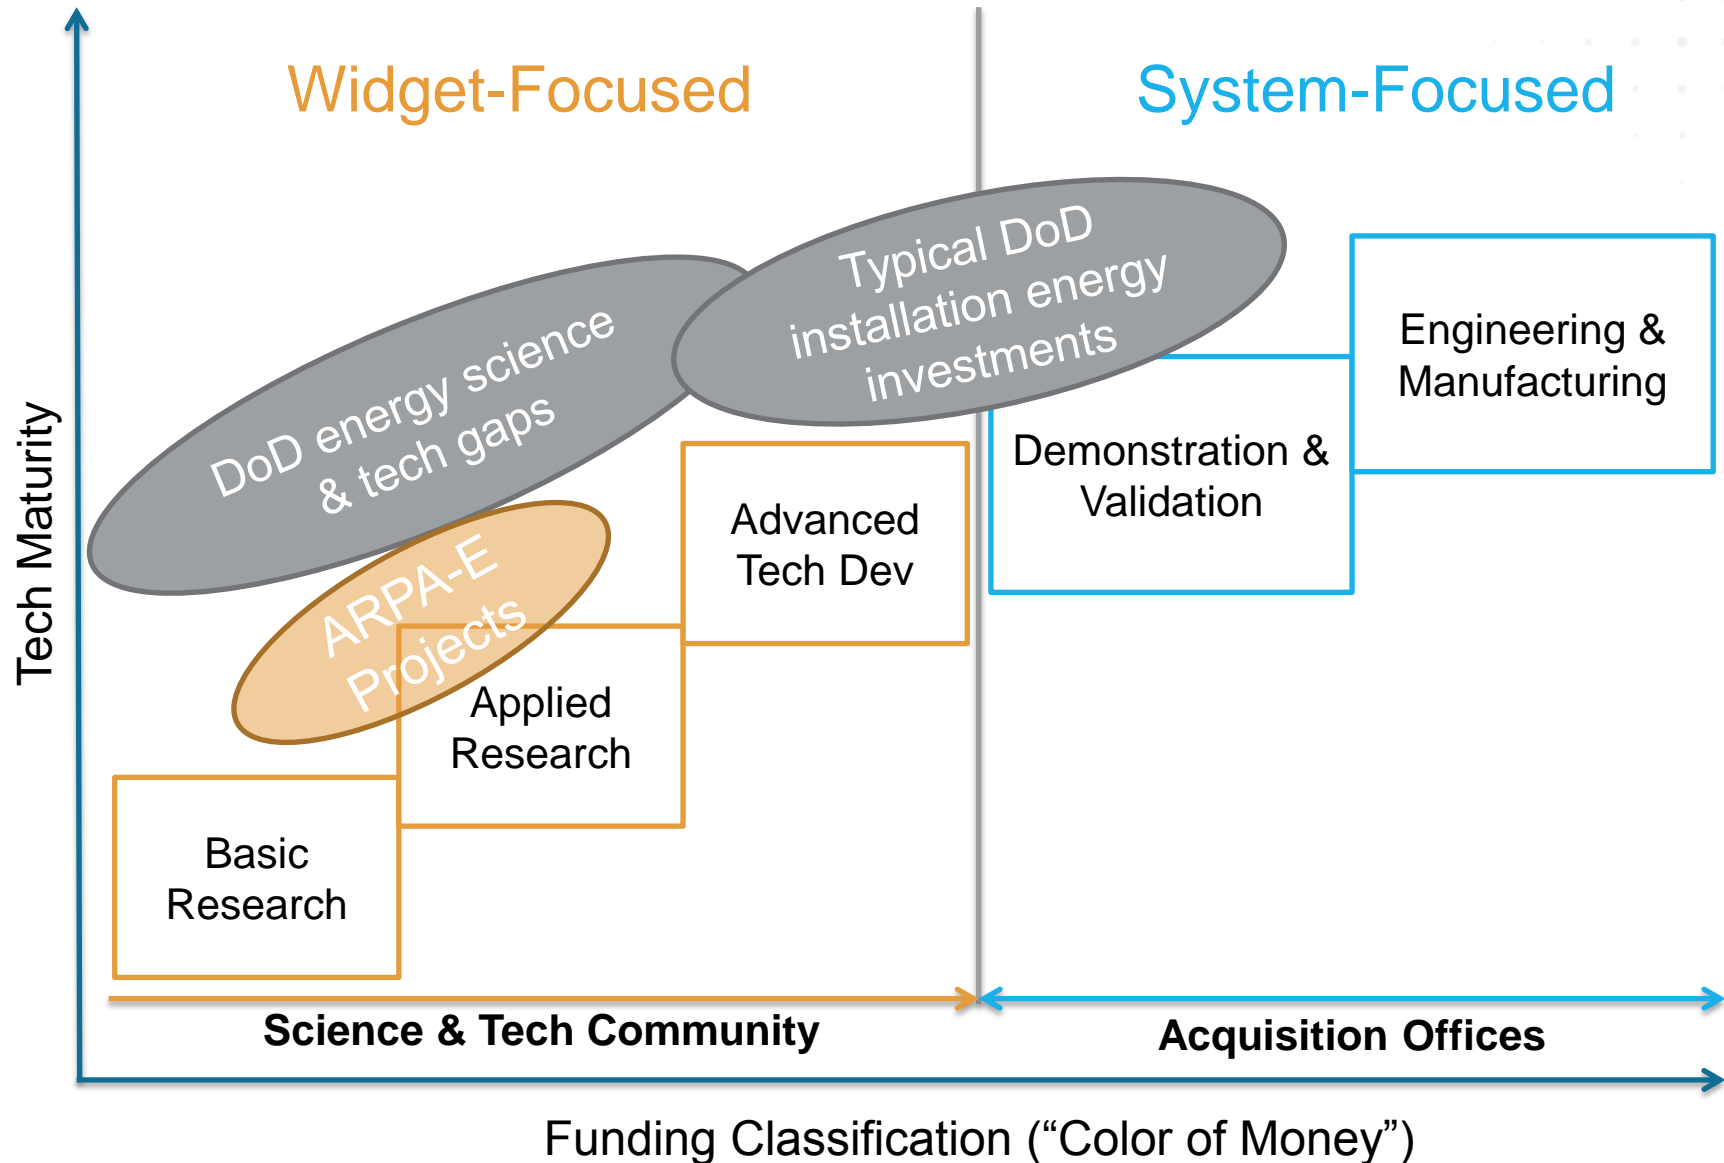

- **Strategic partnerships**
- **New company formation**
- **Development from other parts of the government**
- **Follow-on investment**

DoD Technology Development
